

INFUSED OLIVE OIL

ORGANIC BASIL OLIVE OIL

Fresh, green and herbal. Basil and olive oil are two integral ingredients in Mediterranean cooking and it was just obvious to us that the two would be wonderful together. Notes: Try it on a summer salad or caprice and let your taste buds travel to the shores of the Mediterranean.

Great when paired with our Strawberry Dark Balsamic vinegar.

Made from premium, ultra fresh, extra virgin olive oil from our collection blended in small, artisan batches with 100% natural flavour.
