HERBES DE PROVENCE

OLIVE OIL

With top notes of savory, thyme and bay leaf, our all natural Herbes de Provence extra virgin olive oil is a show stopper when drizzled over grilled chicken, rubbed on turkey before roasting, for bread dipping, in aioli.

***Try paired with our aged Tangerine Balsamic
for bread dipping or blended as vinaigrette.***

Made from premium, ultra fresh, extra virgin olive oil
from our collection blended in small, artisan batches
with 100% natural flavour.
