

INFUSED OLIVE OIL ORGANIC BUTTER OLIVE OIL

This creamy extra virgin olive oil is naturally infused with the rich flavour of butter. Use this golden, vegetarian, dairy free olive oil as a butter substitute in baking or anywhere you might use melted butter including: over hot popcorn, with seafood i.e. crab or shrimp, to dip bread in, over pasta, mashed potatoes, rice, or in baking.

Great when paired with our Sicilian Lemon White Balsamic vinegar and our Garlic Infused olive oil.

Made from premium, ultra fresh, extra virgin olive oil from our collection blended in small, artisan batches with 100% natural flavour.
