PREPARATION
1. Position a rack in the middle of the oven, remove any racks above, and heat the oven to 350°F (175°C). Coat a 12-cup bundt or tube pan with 1 tbs. blood orange extra virgin olive oil and set aside.
2. Finely grate the zest of 2 oranges, then squeeze 4 of them. You should have 1½ cups and 1 reserved tablespoon of orange juice; if not, squeeze the 5th orange. Set aside.
3. Whisk together the flour, baking powder, and salt in a large bowl and set aside.
4. In the bowl of a stand mixer fitted with a paddle attachment, or with a hand held mixer in a large bowl, beat the eggs on medium-high speed until well combined, about 1 minute. Slowly pour in the granulated sugar and continue beating until thick and pale yellow, about 3 minutes. On low speed, alternate adding the flour mixture and blood orange extra virgin olive oil, starting and ending with the flour, and beat until just a few wisps of flour remain. Pour in the orange juice, zest and dried cranberries and whirl for a few seconds to bring the batter together.
5. Pour the batter into the prepared pan and bake until a cake tester comes out with a few moist crumbs clinging to it, about 1¼ hours. If the top is browning too much as the cake bakes, cover lightly with foil. Transfer to a wire rack and cool for 15 minutes and then turn the cake out on to a rack over a sheet pan. Mix together 1 tablespoon reserved orange juice with confectioners sugar to form a glaze. Pour slowly and evenly over the warm cake. Serve at room temperature.

CRANBERRY-PEAR PROSECCO
Prosecco is our favourite bubbly. We were first introduced to Prosecco by friends who came to visit us while we were in Northern Italy, and brought their Uncle’s homemade bottle which we drank in the park in Corvara in Badia. Later we received a thorough prosecco lesson by the proprietor of an enoteca (winebar) in Cortina, who was adamant that you must only buy prosecco made in one of two locales: Valdobbiadene or Conegliano. After tasting countless bottles, we would have to agree! Adding a balsamic makes it even more fun!

NEEDED FOR THIS RECIPE:
• Sunshine Coast Olive Oil Co. Cranberry-Pear White Balsamic

INGREDIENTS PER PERSON:
• 4 oz Prosecco (dry) • 1 -1½ tsp Sunshine Coast Olive Oil Co. Cranberry-Pear white balsamic • Fresh cranberries (frozen to keep the drink chilled) as a garnish • Mix and serve in chilled glasses.

SIMPLICITY AND ELEGANCE: WHITE GRAPEFRUIT BALSAMIC FRUIT SALAD
Fruit salad often times is overly dressed with cloyingly sweet, dairy based dressings.
I believe that fresh, properly ripened fruit should play the starring role and be allowed to shine. You can let the fruit speak for itself by simply tossing it with a splash of Sunshine Coast Olive Oil Co. Grapefruit White Balsamic just before serving. Our grapefruit white balsamic is clean, crisp and adds the right amount of complexity to fresh fruit salads without stealing the show.

DIRECTIONS:
Preheat the oven to 325°F.
Line a large roasting pan with foil.
With a sharp knife, score the fat all over the ham in a diamond pattern.
Place the ham, cut side down, in the roasting pan and cover tightly with foil.
Bake for 20 minutes per pound LESS 35 minutes. (so for an 8 pound ham, bake 6 x 20 minutes (i.e. two hours) then proceed:
Meanwhile, reduce the balsamic by about 1/3, by gently simmering it in a medium sauce pan set over low heat. This process should be done slowly, taking approximately 10-15 minutes to complete.
•When the balsamic has become thick and syrupy, remove from heat and whisk in the Dijon mustard.
•After baking for an hour, remove the ham from the oven and increase the oven temperature to 350°F.
•Using a pastry brush, liberally apply the balsamic glaze all over the ham, paying special attention to working it in to the scored portions.
•Cover just the shank (bone) end with a small piece of foil to prevent it from burning.
•Return the uncovered ham to the oven and roast for approximately 35 minutes, or until the glaze has caramelized and the ham is golden brown.

BALSAMIC GANACHE TRUFFLES

This recipe is courtesy of Chef Rachel, who works with our supplier to come up with amazing recipes using our products.

INGREDIENTS:
- 1/2 Cup steaming hot heavy cream
- 1 pinch of sea salt
- 8 ounces best quality dark chocolate in chip form, or chopped
- 3 tablespoons Sunshine Coast Olive Oil Co. Dark or White balsamic – Rachel’s favourite options for this are: coconut, raspberry, apricot, tangerine strawberry, maple, espresso, lavender, or traditional.
- 1/2 cup cocoa powder for rolling the truffles or use 6 oz. tempered (melted chocolate) for coating the truffles.

RECIPE:
Place the chopped chocolate in a medium size heat proof bowl.
Heat the cream and salt in a heavy bottom sauce pan over low heat until it just begins to steam. Do not allow it to simmer or boil.
Pour the cream over the chopped chocolate and allow to sit for 2-3 minutes without stirring. Stir the mixture gently until all the chocolate is melted. Add the balsamic and stir to combine well. Cool to room temperature and then place the bowl in the refrigerator, covered until the ganache has become cold and can be scooped and formed into balls.
Have a baking with a sheet of parchment ready that will fit into your fridge or freezer.
Take 1 teaspoon of cold balsamic ganache and quickly roll between your hands to form a ball. If you spend too much time trying to get the shape just right, you’ll begin to melt the ganache and it will be a mess.
Place the balls on the prepared baking sheet and then place the sheet in the fridge or freezer to firm up the truffles when you’re done rolling all of them.

Now you can roll into cocoa powder or in tempered (melted) chocolate. However, these are best stored in single layers, separated by parchment or wax paper in a sealed container in the refrigerator. They can be taken out and served at room temperature.
Each flavor of Sillycow Farms Hot Chocolate is made with the finest, pure ingredients available. Our mission is simple; mix three ingredients together – each having a name you can pronounce – and package them so they make you smile.

Made with Only Real Ingredients; Non-GMO; Gluten Free and have NO corn or high fructose corn solids. They are also Nut & Peanut Free; have NO Trans fats; No added Sodium and No artificial growth hormones.

**Hot Cocoa**
A hot cup of cocoa is a wonderful joy, especially with friends or as a relaxing drink after a full day. A cup of cocoa is much lower in caffeine than either coffee or tea. Where a cup of cocoa on average has 6 milligrams of caffeine per cup, coffee has 90 and tea has 68. Our cocoa is specially formulated so that it does not contain sodium, lactose or cholesterol and it is made with kosher organic cocoa imported from Brazil. Because of our formulation, Silly Cow Farms Cocoa can be used in all kinds of baking, drinking or confection recipes.

For a great cup of cocoa, place two heaping teaspoons of cocoa in a mug, pour hot liquid (water or milk) half way up the mug. Stir until dissolved, then pour the rest of the liquid in the cup and enjoy.

You can use water or milk with our cocoa. If you prefer milk, we recommend 2% low fat; it gives the cocoa the right amount of body, taste and keeps the total fat and calories to a minimum.

**Heavenly Banana Smoothie**
In a blender, combine one cup of ice and one cup nonfat plain yogurt. Blend until ice is smooth. Add one medium banana, two tablespoons of vanilla and two tablespoons of Silly Cow Farms Cocoa. Blend the entire mixture again until dissolved. Makes two cups. As an added delight, sprinkle nutmeg or Silly Cow Farms Cocoa on top.

**Mimi’s Magnificent Brownies**
Mimi is a neighbor of ours and she developed this wonderful brownie recipe with our Silly Cow Farms Cocoa:
- ½ cup sugar
- ¾ cup Silly Cow Farms Cocoa
- 1 stick of butter (1/4 lb.)
- 1 teaspoon of vanilla
- ½ cup flour
- 2 eggs
- 1 cup nuts, chopped

Combine sugar, cocoa and butter in a saucepan. Stir on medium heat until melted and thoroughly combined. In a mixing bowl, beat eggs and vanilla, add chocolate mixture and mix well. Add flour and nuts, mix thoroughly, pour into greased 8x8-inch pan. Bake at 350°F for 25 minutes or until done. When cooled to room temperature, dust with powdered sugar.
